The Tuesday Plan

- Mission Topic: Passcodes, Touch ID & FaceID
- Typing Demonstration
- Other Questions

Passcodes

Passcodes should
be considered
Mandatory

Online: links.SeniorTechClub.com/FunFun

What's Next

Add TouchID or FaceID

Two Factors

1. Most experts suggest that biometrics are more secure than a password
2. It will save you time

Consider

Biometrics don't always work depending on your situation.

Passcodes will be required

- On restarts or access to shutdown
- You have not unlocked for a long period
- When setting up new Faces or Fingers
- Unsuccessful TouchID or FaceIDs

Demonstrations

Typing Demonstration

How do you use the shortcut for typing a single number or character without leaving the alphabetic keyboard.?
