Birthdays entered into the Contacts app are displayed on a special Birthday calendar.

You can set a default Alert time for Birthdays in Settings
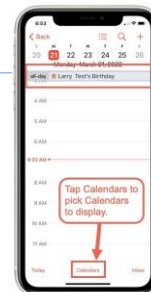

>Calendar>Default Alert Times>Birthdays

29

Birthdays Calendar

1. Birthdays entered into the Contacts app are displayed on a special Birthday calendar.

2. Birthdays are displayed on a separate calendar. Tap Calendars to display.

3. You can set a default Alert time for Birthdays in Settings>Calendar>Default Alert Times>Birthdays
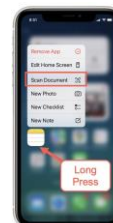

30

Scan A Document with your iPhone

31

iPhone – Use the Notes App

Two methods to launch scanning

Long Press - Recommended

1. First lay the document on a flat service

2. Long Press on the Notes app icon

3. Select Scan Document

32

iPhone – Use with the Notes App

Method two:

1. Lay the document on a flat well-lit surface
2. Create a blank Note
3. Tap Camera icon above the keyboard.

33

iPhone Scan - Auto

Scanning Actions:

Frame Document on a well-lit dark surface.

Auto Mode (recommended) – you don't have to press the shutter
- Multiple pages – Auto mode will pause between pages allowing you to move a second page into the surface

Tap **Save** when you're done.
- Notes app will attach a name to the Note.

34

App Library

35

Access the App Library

Swipe Left until you can swipe no more

All apps are categorized and hosted.

Tap the Search Bar to get an alphabetic list.

36

App Library Search

Alphabetic List
Search
Great for lost apps

Drag icons from the Library onto Home Screen

Delete apps with Long Press

37
