Recipes & Nuggets

A Tour of the Camera App

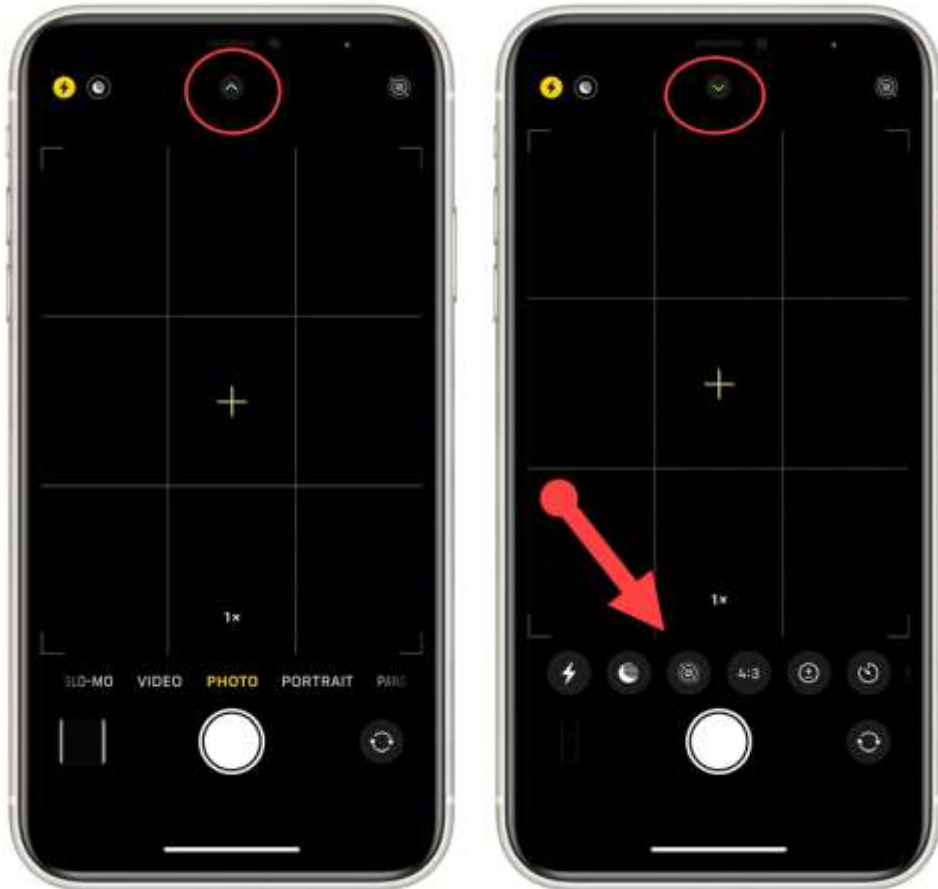

Poll

A Tour of the Camera App - Classic

A Tour of the Camera App - New

Switch Camera - Selfie

Reminder: Long Press Shortcut

Zoom

Two kinds of zoom on iPhones

Optical Zoom via a Lens

Zoom

Digital Zoom via a Pinch

Better to zoom with your feet than digital

Zoom

Digital Zoom – Pinch Screen in or out

Optical

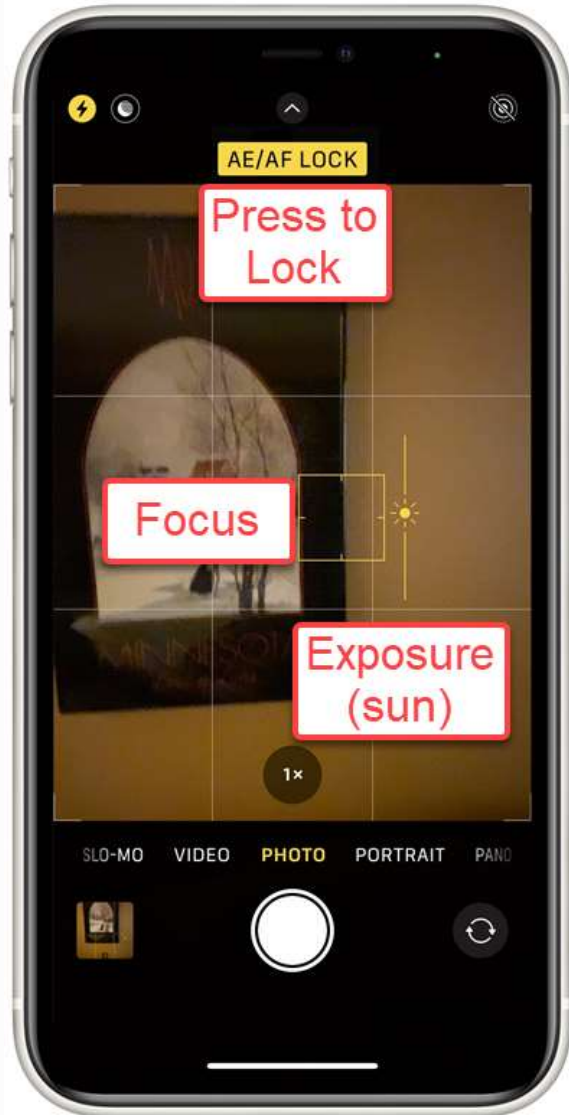

- If your iPhone has more than one lens, tap:
 - .5x or 1x or 2x (varies by model)

Flash

Focus & Exposure

HDR Photos

High Dynamic Range

iPhone takes multiple photos to balance shadows and highlights.

It is a good photo approach to provide the best lighting when there is contrast.

HDR - Older iPhone

Classic: HDR command in the Camera App

Recommend Auto setting

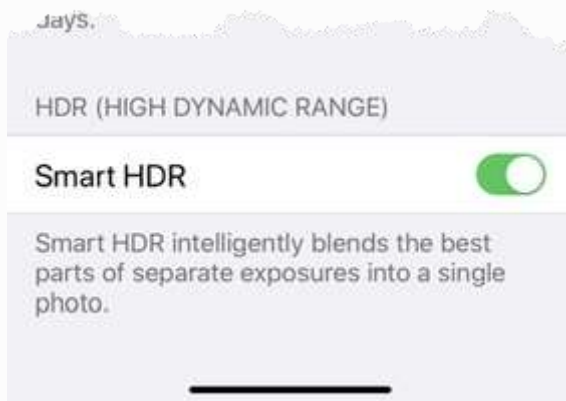

Newer iPhones +

Smart HDR is on by default

No switch in Camera app

Turn it off in **Settings, Camera**

Live Photos

Photo plus 1.5 seconds of video before and after the picture is taken.

Available on iPhone 6s and later

Live Photo is on by default

Turn on and off in the Camera App

Play a Live Photo

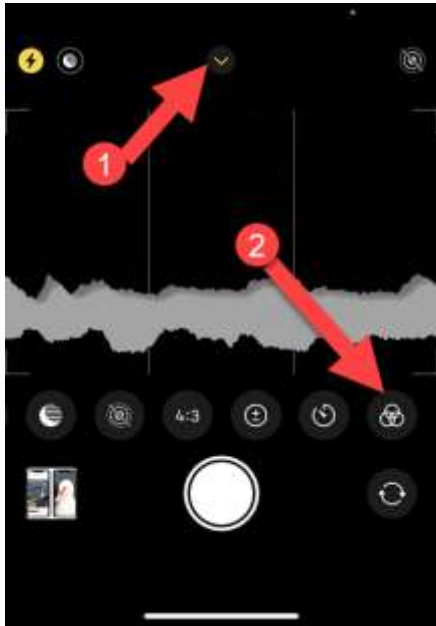

Press and Hold inside the Photos App

Live Photo options & effects: 2/16

Filters

Color or Black & White Filters

Filters can also be set after the shot in the Photos app

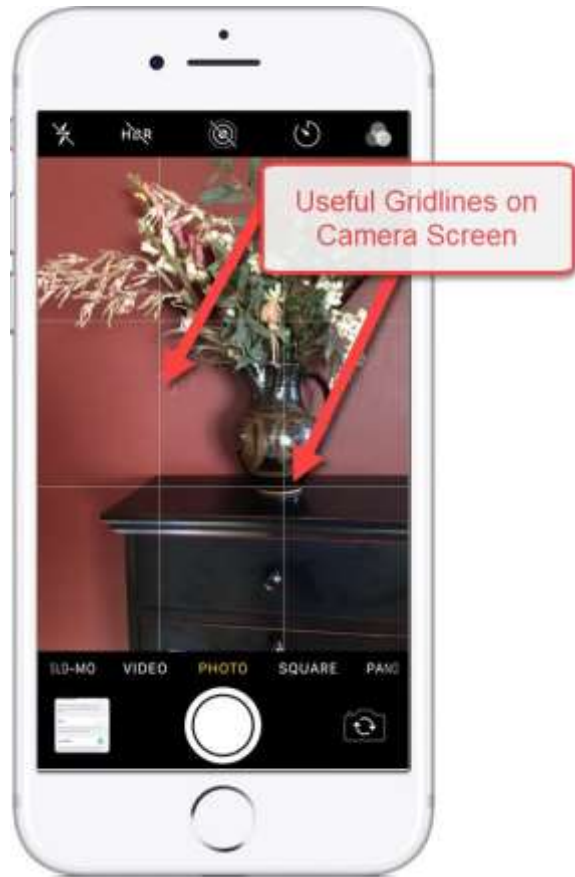

Better iPhone Photography

Rule of Thirds

iPhone Grid Support

Turn on the Grid

Launch the **Settings** app.

Scroll down and tap **Camera**

Find **Grid** (near the top) and turn it on

Turn Live Photos Off

Preserve Settings Options

1. Open the **Camera** app.
2. Tap the yellow Live Photo icon so it is off (white with a slash through it) This is the setting you want to preserve.
3. Open the **Settings** app.
4. Scroll down to find and tap the **Camera** settings.
5. Tap **Preserve Settings**.
6. Tap the **Live Photo** slider so it is Green. (Green is on)

Homework Assignment

Capture Daily Moments at Home

Experiment with different Camera launch and Shutter approaches

Optional - Send your favorite to:
Photos@SeniorTechClub.com

Submitted photos will be published on our class gallery. Include a quick note about what you learned or discovered.
